State Electricity Distribution Corporation Limited

Final Notice of Electricity Disconnection - Outstanding Dues
Consumer Number: 0482910492 | Domestic Tariff Category LT-1

Notice of Disconnection of Power Supply under Section 56 of Electricity Act.
Your electricity bill for meter reading cycle September 2026 shows unpaid arrears.
Total units consumed: 420 kWh. Energy charges payable: Rs. 4,850.
Immediate payment must be made on or before 10-11-2026 to prevent disconnection.
Payment can be made at the local substation cash counter or online via the portal.

Disconnection Procedure and Reconnection Regulations

If electric power supply is disconnected due to non-payment of electricity bill dues, a reconnection fee of Rs. 500 plus statutory late payment surcharge will apply. Water supply pump feeder connection will also be impacted.
Executive Engineer, Sub-Divisional Electricity Board Office.
